Dear Mark:

Per our discussion of Tuesday evening, I am enclosing a campaign check in the amount of \$10,000. Again, please let your partners know how very much we appreciate all you did for the campaign and Mayor.

As I mentioned, I am sorry it took so long getting you these funds, but I guess the aphorism, better late than never, is appropriate.

Please stay in touch and again, thank all of your partners for the great work they did and their patience.

Best regards.

Sincerely,

Steven J. Labovitz
