David,
Here is the program we are thinking of building for our client. So far I have left unreturned voice mails to both Larry and Willy.

Arrival Saturday with hostess welcome at landing and drive to Hotel (I will be there as well). Hotel intercontinental or Bristol with a suite, and a luxury room (LDE will visit the rooms to see if they are suitable). Saturday evening: Crazy Horse or hi-class restaurant (Eiffel Tower). Sunday: Tours of the Louvres, Historical sites of Paris. In the evening: Versailles with the show "Les grandes Eaux".

Monday 26: Working day with visits of Colombes, CIRSEE and meeting with Mestrallet/Bourbie, Question? . Monday evening in good restaurant (I hope to get Larry Wallace to get other ideas of what they like)

Tuesday 27: transfer to Bordeaux, meeting with Assistant mayor, Visit of Wine caves, dinner in luxury restaurant.

Wednesday 28: Visit of Bordeaux operation (Clos de Hilde and Ramses), return to Paris

Thursday 29: Return to USA

As soon as we have more details, I will let you know. We still do not know the client's schedule and need it before we put more details on the program.

For your info, my schedule in the next two weeks will include: San Antonio (20), Indy (21), Chicago (22), France (23 to 27) and Montreal with Abitibi on 28, back in the office on 29. Unfortunately I cannot stay with the mayor on the 28 and 29.

One question: Do you think we need to plan for extra security measures for the Mayor (bodyguard)?
