Re: Program for Mayor Campbell & Deputy Mayor Wallace

Your tentative program looks quite good – thank you!

As it happens, the mayor would prefer to have Sunday and Tuesday as free days, so the program can be altered accordingly. The only thing we are waiting on is an answer from the mayor regarding the show followed by dinner on Sunday evening. We will need the limousine driver information (name & mobile phone number) for Saturday, and we need to know how the mayor will identify the driver on Wednesday morning, July 28 – is it the same company/driver?

I have attached a copy for your reference of the altered program that we sent to Mr. Wallace's office today along with the letter.

Thank you again in advance.
